Child Development is a paramedical practice for Occupational Therapy and Educational/Child Psychology registered with the Dutch Chamber of Commerce under number 27349475

Time and location of the therapy sessions

Each child's individual needs will determine the number of sessions per week. Assessment, therapy and parent's meetings will generally take place in school unless agreed otherwise between you and the therapist. For sessions carried out outside the school/practice additional fee will be charged to cover for traveling costs and traveling time.

Fee structure

You owe us a fee for the services provided. We inform you about the fee structure that we use in the pricing schedule. Prices are subject to change. In case of fee adjustments, we will notify you at least one month in advance.

Payments

Child Development sends the invoice (unless otherwise agreed) directly to the client or parents / caregivers. You need to take care of any possible reimbursements from your health insurance and / or municipality. We advise you to inquire whether your health insurance or municipality reimburses the services of Child Development. We are registered in the Netherlands with the Dutch Association for Occupational Therapy (EN), the NVO, DAIHM, SKJ and the Quality Register Paramedics. Please note that payment must be made within 14 days. If the payment is not received within 30 days, additional administrative costs may be charged, and your child's therapy may be suspended.

Cancellations

If you and / or your child is unable to attend a therapy session / assessment, it is essential that you inform the therapist 24 hours before the scheduled session. In case of illness, the sessions must be cancelled on the same day before 8 am, by a message to the therapist. Sessions that are cancelled later than mentioned will be charged in full. In case of cancellation, the therapist will try to accommodate the missed sessions on another day, if possible. In the absence of the therapist, the sessions can be taken over by another Child Development therapist.

Holidays

There will be no therapy during school holidays and vacation periods unless otherwise agreed between you and the therapist.
